

Welcome to Constellation Connect

Getting started with your Constellation Connect system

Welcome to home control and peace of mind, all in one package. The Constellation Connect Hub makes building your dream smart home easier than ever! **Get connected in just minutes:**

1. Download the app

Visit the Apple App Store or Google Play and download the My Constellation app.

2. Connect the hub

Follow the instructions in the app to connect the hub to your network.

3. Choose your plan

Once your hub is online, select your monitoring plan and set your location for enhanced features.

4. Add devices

Go to the Devices tab in the app to add devices to your smart home!

Easily pair other smart home elements to your Hub using the My Constellation app.

From brands like Philips Hue, Yale, Ecobee and Honeywell, to Amazon Echo® and Google Assistant – the Connect Hub features easy integrations with your favorite devices including thermostats, cameras, door locks and lights, to make your smart home experience seamless and intuitive.

+ To add devices, go to the Devices tab within the My Constellation app

(Devices shown above are for illustrative purposes and may not be included in your shipment).

Features:

 **Security** – The Hub features modes for Home, Away, Stay, and Vacation, so you can arm your system and feel safe no matter where you are. Get custom alerts for each mode and keep any eye on your home from anywhere with camera feeds and 24/7 emergency dispatch services available.

 **Reliability** – 4G connectivity and built-in backup battery keeps everything connected even if the power or internet goes out.

 **Energy Monitoring** –View real-time energy use and keep track of your consumption history so you can take control of your energy spend every month.

 **Scenes** – Set up a Scene to have your lights turn on at sunset or when your sensors detect motion. The hub's geolocation capabilities can also remind you to adjust the thermostat or turn off your lights when you're away.

Access these features from the Constellation Connect menu in the My Constellation app.

Monitoring Plans

To unlock the benefits of your Connect system, you'll need to select one of our monitoring plans with the My Constellation app. There's no contract and your first month is free! [Go to My Account in your app to upgrade your plan.](#)
